Panasonic

Multi-deck Refrigerator

SAR-CD361

Temperature
0℃-7.2℃

CFC FREE

● Note: Design and specifications subject to change without prior notice.

Model		SAR-CD361		
Classification		Multi-deck Refrigerator		
Cabinet	Dimension		Width	Depth	Height
		Out - side	967	705 (+25)	1900
		In - side	915	300	1204
	Capacity		360 L		
	Exterior		Spray Steel Plate		
	Interior		Spray Steel Plate		
	Insulation		Foamed-in-place urethane		
	Air-curtain		Double Air Curtain		
	Shelf		Glass Shelves, 7 step		
Refrigeration System	Compressor		Obturation Completed		
	Fan Moter		Single-Phase 220V Outer Power 750W		
	Refrigerant		R404A		
	Evaporator		Fin Type, Forced Circulation		
	Fan Motors		Cooling Fan Motor Single-Phase 220V Outer Power 9W ×1		
			Cooling Fan Motor Single-Phase 220V Outer Power 6W ×2		
	Temperature Meter		Auto Electronic Thermostat		
	Condenser		Fin Type, Forced Circulation Of Cold air		
	Defrost		Timer-controlled natural defrosting with the compressor stopper		
	Performance		Actual Load Temperature 0 -7.2℃(adjustable) Ambient Temperature 27℃, Humidity 70% Without loading, Without direct sunlight		
Electricity	Power Source				Single-Phase 220V
	Frequency			Hz	50
	Power Consumption	Running		W	1001
		Defrost			90
	Electric Currency	Running		A	5.3
		Defrost			0.55
	Running Efficiency			-	0.93
	Illumination	Fluorescent Lamp			TLD30W / 54 ×1
		Power Consumption			38W
		Electric Currency			0.35A
	Accessories		Drain Tank (14L)		
	Others		Adjust Bolt (4), Caster (4)		
	Weight		245kg
