響鈴指示燈

KX-TS840MX的響鈴指示燈來電時亮起紅燈，讓您不會錯失任何重要來電，適合酒店客房或辦公室使用。

Ringer Lamp

The KX-TS840MX's ringer lamp helps you catch all the important calls. A red light illuminates to visually alert you when a call comes in, for convenient use in hotel guest rooms or offices.

免提對講、耳機插座 (毋須電池)

使用免提對講及耳機 (另購)，您可邊忙碌邊通話。

Speakerphone and Headset for Hands-Free Conversation (No Battery Required)

You can use the speakerphone or headset for hands-free conversations. Since you don't need to pick up the handset, this enables you to do other work while having a conversation.

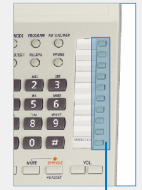

10個單鍵撥號

每鍵2個電話簿記憶

可儲存多至20個電話簿記憶於單鍵撥號 (上下層記憶位置各10個)，方便致電經常聯絡的客戶或同事。

20 Phone Numbers in One-Touch Dial Buttons

You can store up to 20 phone numbers in the one touch dial buttons (10 numbers in both upper and lower memory locations). One-touch dial buttons save you time and trouble when calling a client, customer, or associate you often speak with.

One-Touch Dial Buttons

通話限制

限制撥號至所有號碼 (鍵盤鎖) 或指定外線號碼 (限制撥號)。

Restricting Calls

You can restrict the phone from making calls to all numbers (Dial Lock) or to special external numbers (Call Restriction). Restricting phones placed in locations where people other than employees are present enables enhanced security.
