

# Panasonic

Digital Cordless Phone  
**KX-TGE110**

## Making Communication Easy

### Easy-to-See Display

Large, 1.8-inch amber backlit LCD

### Big Buttons with Large Characters

Easy-to-see and easy-to-push big illuminated keypad with large characters.

### Three Dedicated Memory Dial Keys

Enable you to dial with a simple operation.

### Handset with Dimples for Slip Resistance

Slip resistant dimples provided on the handset help prevent accidental drops.

\* Backlights light up the LCD and keypad simultaneously while in use.

Handset  
Speakerphone

Call Block  
Up to 50 entries

Easy to improve call volume

Quick Volume Control

You can use the volume keys and the Amplify key on the side of the handset to easily control the volume without interrupting your conversation. Simply push the Amplify key to boost the volume to about 2 times the normal level\*.

Amplify key

\* While talking using speakerphone, this feature is not available.

Completely eliminate radiation while the phone is in standby mode

Zero Emit

By activating Zero Emit Mode, the unit completely stops radio wave transmission while the unit is in standby mode.

Reduce unwanted calls such as telemarketers

Call Block\*

The call block feature blocks the ringing from phone calls if the entire registered number (1 - 24 digits) is found starting at the beginning of the phone number. The feature helps to reduce unwanted calls such as toll-free calls, and helps to keep your personal time from being interrupted.

\* Requires subscription to Caller ID service offered by your provider/telephone company.

Enjoy clear conversations, wearing a hearing aid

HAC (Hearing Aid Compatibility) Support

This handset is designed to work well with a hearing aid.

ETS 300 381  
Compliant
