#### Technical data

Model	External dimension	Capacity	Performance	Light
SRM-CDC319NL-TS3(E)	L900 x D650 x H1947 (mm)	620 L	Cooling: 3 ~ 7 °C (AT27 °C, 70 %, less than 0.2 m/s, without direct sunlight)	LED out side 6 W x 1 in side 26 W x 1, 13 W x 2

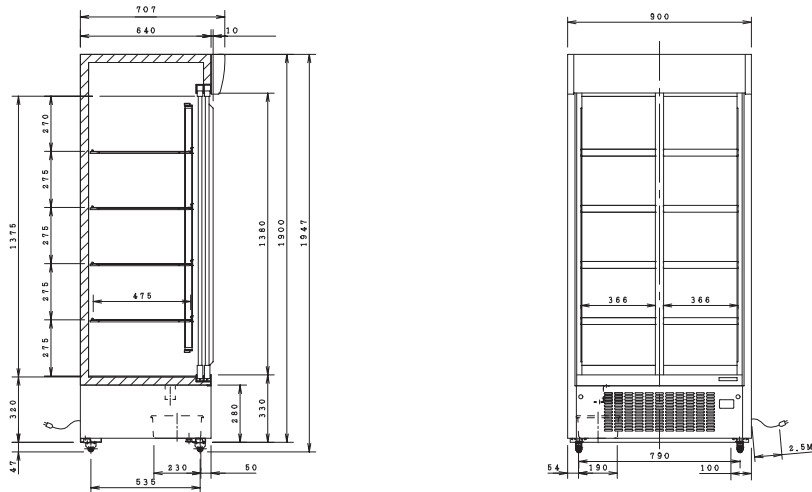

## Specification

<b>Model</b>		<b>SRM-CDC319NL-TS3(E)</b>
Dimensions (L x D x H) (mm)	External	900 x 650 x 1947
	Internal	820 x 475(shelf) x 1375
Effective Volume		620 L
Performance		Cooling: 3 ~ 7 °C (AT27 °C, 60 %, less than 0.2 m/s, without direct sunlight)
Material		Spray Steel Plate
Shelf		4 shelves
Insulation		Cyclopentane foam
Compressor		Obturation completed
Refrigerant		R134a
Evaporator		Fin type forced circulation
Temperature control		Electric controller
Condenser		Fin type forced circulation
Defrost		Timer-controlled natural defrosting with the compressor stopped
Light	out side LED	6 W x 1
	in side LED	26 W x 1, 13 W x 2
Power source		Single phase, 220 V, 50 Hz
Weight		125 kg

### Safety Precaution

- All of our products in this catalog are designed for commercial use.
  - Please consult the operation & installation manual before use and operate the product correctly.
  - Please consult a Panasonic agent regarding product installation.
  - These products are for indoor use only, do not use them outdoors.
  - Please don't use these products for unintended purposes. Doing so could cause an accident.
  - Please take measures to prevent falls.
  - Do not use the products to store volatile or flammable substances such as benzene or alcohol cylinders. Doing so could cause an explosion.
  - Only use the products for exhibiting food items for sale or for temporary storage.
- Using the products for other purposes could cause a loss in quality of the items stored, among other problems.
